## The Banquet is Coming Soon!

The Hi Rise annual banquet is set for Friday, May 10<sup>th</sup> at the St. Noel Banquet Center in Willoughby Hills and it will be here soon. Don't be left out. Contact Charlene Patacca to make your reservation!

It's at the same venue as last year year's event. On the heels of the successful prom theme the committee of Meg Goetz, Jodi Tusick, and Char Patacca chose the theme **Rock Your Night Away** featuring old time rock 'n roll – what else.

The band **House 41** will rock on and lead the dance contest and - just when

you thought it was safe - an air guitar contest will ensue. So, practice your high school air guitar moves then grab your sweetie and your dance shoes, for an evening of fun and laughter. Dinner, dancing,

beer, and wine are included at \$30 for members and \$35 for nonmember guests. See page 15 for reservation

information. Rock on! **And, don't forget the One Club Golf Tournament on Saturday, April 13<sup>th</sup>. See pages 3 & 12 for details.**

# Hi Rise Board Members Election 2024

This year's election for the Hi Rise Board of Directors will use online voting as well as in person voting at the meeting on Wednesday, April 17<sup>th</sup>. Please watch for an email from Roseann with the ballot and instructions for how to vote online. **Online voting ends at 6:00 p.m. on Wednesday, April 17<sup>th</sup>.**

Remember this meeting date is one week earlier in the month since the American Legion Hall has another event scheduled for the April 24<sup>th</sup> date.

The last call for nomination is at the April 10<sup>th</sup> meeting.

If you choose not to use online voting, you may vote in-person with a paper ballot at the April 17<sup>th</sup> meeting.

## Updates from Your Board

- The folks at the **American Legion Hall asked us to cancel our April 24<sup>th</sup>** meeting so they can host a larger event. BTW – We are grateful to the American Legion leadership for their support of Hi Rise over the years. They have been most accommodating. Thank you to the American Legion for your hospitality– and for your service to our country.
- Since the second April meeting on April 24 is cancelled, we will hold the second April meeting on April 17. Why, you ask? The Club constitution requires that elections must be held at the second meeting in April. So, Wednesday, April 17 will be Hi Rise Election Night!
- Bob Mac is planning a **ski trip to Zermatt, Switzerland**, from - January 25 to Feb 1, 2025 (we fly out on Friday, January 24). There are two optional post trips to: Rome, Italy, Feb 1-5, 2025, or Majorca, Spain, Feb 1-5, 2025. Bob is also working on a trip in the U.S. for March 2025. Save up and watch for more details. Thanks, Bob!
- To read the Cleveland Metro Ski Council's **Sitzmark newsletter** click [here](#).
- The one-day **Wine trip** on April 20<sup>th</sup> is sold out. Dennis is taking names for the wait list. See page 11 for details.
- **Save the Date – Summer Picnic** at the Rookery Saturday, August 17<sup>th</sup>. See page 17. **Save the Date The Rib Barbeque** is coming ---Saturday, September 14<sup>th</sup>. See page 19 for details.
- **We are looking for social ideas.** What would you like to do? If you have an idea, please share it with one of the board members – even if you don't want to run the event. We will find a way to make it happen. This is your club!

# TELLURIDE

## A Town with a Past

The town of Telluride has a long and storied history with a bad boy legacy. On the heels of a Colorado gold rush in Denver a small vein of gold north of Telluride was discovered. Thus, the mining town was born in the mid 1800's. The area was rich in copper, silver, zinc, and some gold ore. As the town grew so did its reputation. Two notable town events are the famous Butch Cassidy robbery of a local bank for nearly \$25,000; and that Telluride was the first town to be powered by Tesla's AC current generated with waterpower. Electricity was used to process ore. At the time Edison was touting direct current as the way to electrify the nation.

The town, as you can imagine, was dominated by men. So, along came the oldest profession in the world - the ladies of the night - to satisfy their need for companionship. See the box on page 20 for the answer for this month's trivia question. So begins the bad boy image.

By the turn of the twentieth century the town was the site of miner labor unrest which eventually resulted in laws to protect mine workers. Mining survived as its chief economic force into the 1950's. About that time Joseph T. Zoline began to buy up land in hopes of creating a ski resort.

Zoline built the first ski trails in the Telluride valley. At the same time, because of Telluride's remote location, the hippie counterculture began to move in with the arrival of Peter Yarrow and Tom Hayden. In the spirit of Telluride's bad boy image, the valley became a haven for the 1960's drug culture.

Throughout the 1970's the ski industry faltered because - believe it or not - the lack of snow! In the 1980's, however, wealthy skiers frequented the valley for its scenery and summer concerts featuring artists like the Grateful Dead. This tradition continues to this day with blues and bluegrass music festivals and more. Celebrities still frequent Telluride and several have homes in Telluride including Oprah Winfrey and Tom Cruise. My mountain tour guide shared that when celebrities come to ski, no attention is given to them in respect for their privacy.

The world-class resort we know today developed in the 1990's. The addition of the Prospect Bowl opened more beginner and intermediate skiing terrain and appealed to a larger ski clientele. Prior to the opening of the Prospect Bowl, Telluride was known for its expert terrain, as you can see in this [trail map](#). Today, with the addition of Mountain Village and a summer golf course, Telluride provides a beautiful and heavenly ski experience and year-round vacation fun for the whole family.

## Ski News for around the country!

I found a few interesting ski related articles on the internet this week. Here are two.

If you've been to Alta in the early 1970's you know that lift tickets were significantly less than today. A skier found vouchers for two free lift tickets at Alta in an old ski parka. He took a chance and went to the ski area to redeem them. BTW... Lift tickets in 1970 were a. \$2.00, b. \$7.00, c. \$12.00, or d. \$15.00. Click [here](#) to see how Alta handled the request and learn how much skiing at Alta cost in 1970.

My picture of Alta in 1973. We took a rope tow to get from one lift to another along the bottom.

As seasoned skiers we know that it takes a lot of energy to run a ski area with modern snowmaking, lifts to operate, and snowcats running up and down the mountain all night. One area now has a "net-zero" carbon footprint. Who can it be? a. Vail, b. Snowbird, c. Alta, d. A-Basin. Click [here](#) to find out.

## Answer to this month's Trivia

At the Telluride Ski resort we stopped at Big Billie's, a slopeside restaurant at the base of the Sunshine lift. Who was Big Billie?

- A. Billie the Kid, an outlaw
- B. The Telluride CEO
- C. The town Madam
- D. The first Telluride mayor

Answer: C. The town Madam. As I mentioned in article the Ladies of the Night had a booming business in Telluride at the turn of the 20<sup>th</sup> Century. Big Billie was the classiest and most successful madam. The town had a hierarchy of brothels from the most expensive to the lower priced ones. As a matter of fact, the houses on the edge of town were referred to as popcorn ally because the doors to the brothels popped open and closed so often that the sounded like popcorn popping.

BTW...If you skied the run, Misty Maiden, you skied a run named after another illustrious madam.
