Hi Rise Summer Picnic!

Back by popular demand Hi Rise is hosting a Summer Picnic at the Great Blue Heron Lodge (Rookery Lodge) on Saturday, August 17th from 1 pm to 7 pm. A picnic lunch will be provided by the Winking Lizard. They have catered this event in the past and it was great! We'll have games and pictures from the Hi Rise scrap book - just for fun. All this for just \$10. Please bring your own beverages and a dessert to share (pop & water are not provided). Payment is due by August 4th to Bob Mac. For more information see page 15.

Our First Summer Meetings at

Bumpers Bar & Grill

Summer begins! Hi Rise greeted summer with our first meeting at Bumpers! About 20 members met at 7:30 on Wednesday for a beer or two and great conversation. The evening was perfect and we had a front row seat to watch volley ball games. .. There were several picnic tables for us to meet. Several people met earlier for dinner in the restaurant while others bellied up to the bar for beer and munchies. Remember there is no table service on the patio but the bar staff was pleasant and efficient.

Summer meeting at Bumpers will continue through August 28th on the second and fourth Wednesdays of the month. Meetings will begin at 7:30 p.m. Click [here](#) to visit Bumper's webpage for more information to view their menu. Thanks again to Arnie for finding our summer home.

Cuoco Bello is one of the newest establishments in town opening in January. You may recall it as Fishers or Smokin' Q on SOM Center Road in Mayfield Village. Cuoco Bello's features homemade Italian food. Cuoco Bello means beautiful cook. From the videos and descriptions, we are in for a treat.

Ski Racing 2024 *Hi Rise Takes Second Place*

Although skiing in our area this winter was ... well... sketchy, at best, our Hi Rise ski team came out to do their best! We took second in our division and several skiers ranked in the top five of their class! Nice work everyone!

Hi Rise has always had a strong racing program, and thanks to members like Guy Nerren, who faithfully supports the team, along with our members, who continue to prove their skills on the race course. Some have even introduced this sport to their children. And a fresh group of grandchildren are waiting their turn. All of you support the team through fundraisers like the One Club Golf outing. Next year let's support them by attending races. If you don't race, cheer them on, take a leisurely run with them, and join them for a beer or two at the bar to cheer on their victory or console defeat.

Check out the 2024 race results on the right.

In case you missed it!

Hi Rise Banquet –

a blast to the past – 1970's

Guitars, head bands, high heel shoes, and lots of dancing were seen at this year's banquet. We brought back the music and vibe of the 1970's even though many of us are in our 70's! The band House 41 rocked us all night long – hmm, wasn't there a song by that name by Lionel Richie?! We met at St. Noel's banquet center for an evening of fun, laughter, good friends, and good food. Many of us experienced the 1970's together back in the day and on May 10th we reminisced. Some of us even played the air guitar – what a blast! A great time was had by all. Thanks to Meg Goetz, Jodi Tusick, Dennis Rosa, and Char Patacca for organizing our time-honored event.

Ski News from around the World

Who is Most at Risk on the Slope?

Okay, so who is at risk for catastrophic injuries or death on the slope? If you guessed the 16- to 25-year-olds who zoom down the mountain at breakneck speeds and startle you as you leisurely slide down the mountain, you'd be wrong. Yes, According the statistics from the National Ski Areas Association (NASSA), men are at the highest risk, but... men between 51 and 60 years old are most likely injured! Men at this age don't usually think of themselves as having diminished physical abilities, but with age we lose strength and agility. What makes this group so prone to injury is that they still think of themselves as being 30 something – and they are not. So, they take more risks.

What does this mean for us who are beyond 60. The article [*This Group of Skiers is the Most Likely to Have a Fatal Accident, According to Experts*](#) from Ski Magazine does not specifically discuss our age group , but a take away is that we must recognize our abilities when we are on the slopes. We should pay attention to what our bodies are telling us. Take a break and pace ourselves. Above all, don't ski alone and have a safe run!

Skiing with friends is fun safe.

Do You Want to Go Skiing this Weekend (June 7-9)?

(Here is the answer to this month's trivia question)

Well, you can go skiing in the U.S. this weekend! It will be 90°F today, but you can ski A Basin in CO this weekend and possibly next weekend, too! In the east Jay Peak has held over snow under one chair but is not fully open. You can ski there for \$50 per hour! I read elsewhere that an area in Chile was dumped on this week and will open this weekend. To learn more about summer skiing click [here](#). Take a friend skiing, have fun!
